Permitted Use of Incinerators

No bonfires are permitted on the site!

Individual plot holders may use a small incinerator of the type illustrated provided the following criteria are met:

- The plot holder is fully responsible for use of the incinerator and any consequences or complaints arising from residents or Nottingham City Council
 - Nothing may be burnt which will generate toxic fumes e.g. plastics, oil, paint, tyres etc
- Incinerate at week-ends only (when Emmanuel school is closed)
 - Ensure the smoke will blow East (i.e. toward the railway embankment) so not impacting on residents surrounding the site
 - Maintain fire safety when lighting, particularly when using accelerants
- Watch fire, have water to hand and extinguish (i.e. damp down) before leaving the plot.
